## Lead & Copper Inventory

### We need your help!

We are nearing the October deadline for the Lead and Copper Inventory **required** by the EPA. We have been working to determine the service lines throughout town, but we have reached the point where we need **YOUR** help in completing the inventory. We have teamed up with a company by the name of 120Water and they will be sending out post cards requesting all necessary information. Please be on the lookout for these post cards, fill them out and return them so we can complete this inventory the EPA is requiring. Don't hesitate to reach out to Town Hall or the Town Maintenance Department with any questions or concerns. Big thanks in advance for your help!

## Snow Removal

Please keep in mind that residents are required to remove snow, ice, mud, and/or dirt, etc. from sidewalks within twenty four (24) hours of the snow falling. Please make it safe for everyone on the sidewalk.

Ordinance 186 (Code 6-1-6)

## 2025 Dog Tags

### Available Soon!

Please come in and get your 2025 tag(s) available starting October. We should all be responsible pet owners by keeping our pets fenced in our own yard and on our own property.

Ordinance 168 (Code 4-3B-5)

Please keep in mind our kids are back in school now; lets slow down our vehicles and help make Lingle safe for everyone crossing the streets and walking to and from school!

## Town Hall Closures

## Weeds

It is the duty for each lot owner to keep their lot/lawn free of weeds and tall grass that grow upon each lot as well as any parking space **and the alley adjoining such lot**. Let's each and every one of us in Lingle do our best to keep our lots/lawn mowed and looking nice.

Ordinance 211 (Code 3-3-1 thru 3-3-4)
